

ZAGORI BIVY

Waterproof/Breathable

Two hood vents with internal opening access and a wire hoop keep the hood off your face and allow you to breath freely. The six-slider zipper configuration allows head, face and arm access.

Trail Weight	1 lbs 14 oz
Inside Length	92"
Stuff Size	5 x 17"
Shell Material	40D Nylon DriZone

INNOVATIONS

DriZone Waterproof/Breathable Fabric

- An exceptional waterproof/breathable fabric at great value
- Technical characteristics provide the opportunity to sleep outside the tent

Snag-Free Zipper Tracks

- New innovative Snag Free Zipper Tracks feature prevents the dreaded stuck zipper by creating a barrier between the lining and the zipper track
- Sierra Designs is the first in the market with this advanced anti-snag method
